# Podiatrist / Chiropodist – Hertfordshire – Hoddesdon, part or full time hours available.

**Description**
Shawe Physio is looking for an enthusiastic and motivated Podiatrist / Chiropodist to join our growing multidisciplinary private practice in Hoddesdon.

We are Hertfordshire's premier provider of physiotherapy, rehabilitation, massage and wellbeing services, with a strong reputation for evidence-based care, outstanding patient experience, and collaborative working.

**The Role**

We are seeking a self-employed clinician to provide a broad range of podiatry/chiropody services including:

- General foot care
- Biomechanical assessments
- MSK podiatry
- Orthotics
- Diabetic foot care
- Nail surgery
- Verruca treatment
- Sports-related lower limb management

Clinic days and hours are fully flexible and can be tailored around the successful applicant's availability and goals.

**Why work with us?**

Shawe Physio was founded off the back of Michael Shawe's frustrations with working in both the NHS and the Private sector as a Physiotherapist. In the NHS he found he was unable to give his patients the standard of care they deserved due to short appointment times and limited numbers of appointments available to patients, as well as patients having to wait a very long time to see clinicians.

In the private sector he found that many practices were overly revenue focused, encouraging practitioners to sell packages of care rather than treat the cause as efficiently as possible.

Michael wanted instead to form a practice that focused on treating patients how he himself wished to be treated – by always putting the patients' interests' firsts, focusing on true care that educated and empowered patients and always aimed to treat the cause of the issue not just the symptoms. His approach focuses on a mixed stance of manual and exercise therapy with the best current evidence-based treatments in mind.

Since opening Shawe Physio in 2015, the clinic has grown into an expert team of clinicians, with MSK base qualifications, individual specialisms and mountains of great experience.

**Hiring organization**

**Responsibilities**
Independently responsible for clinical caseload and insurance company reporting.

We provide an admin team to support with insurance company invoicing, payment handling and rebooking patients.

This is an exciting opportunity for either:

- A driven newly qualified clinician looking to build their own caseload within a supportive and established clinic environment, or
- An experienced podiatrist/chiropodist with an existing patient base seeking excellent facilities, admin support, and strong cross-referral opportunities.

**Qualifications**

- BSc (Hons) Podiatry /
- Be HCPC registered
- Hold appropriate professional liability insurance
- Have the right to work in the UK
- Be confident managing their own caseload
- Demonstrate excellent communication and clinical reasoning skills

**Job Benefits**
You will benefit from:

- 50% revenue split self-employed role
- Flexible working schedule
- Full reception and administration support
- Online booking system
- Marketing and social media promotion
- Cross-referrals from our physiotherapy and rehabilitation team
- Card payment and invoicing support
- Modern treatment facilities
- Treatment couch/chair and desk space
- Sharps disposal and clinic consumables
- Established local reputation and patient flow
